

# UNIVERSITY OF CERAMIC TILE AND STONE

WWW.UOFCTS.ORG

Committed to Integrity, Reliability, Honesty. Timeliness and Quality

## Offering E-Learning Training Courses on the Internet 24/7

*(Any time at your convenience!)*

UofCTS online Educational Training Campus provides Product Knowledge and Sales Techniques to help your employees and customers sell more effectively.

### *Some of the Courses Offered:*

**Understanding the Basics of Ceramic Tile** – learn the history and types of ceramic tile, and sales techniques to help you sell more ceramic tile.

**Understanding the Basics of Stone** – learn the history and types of stone, and sales techniques to help you sell more stone.

**Other courses** will be available on Showroom Sales, Telephone Skills, Architectural Sales Strategy, Installation Basics, Hiring Screening Tests, Employee Safety Programs, Sexual Harassment Courses, Company Policies and Procedures and Product Promotion. We can customize any course for your company!

Courses are created with the latest information and years of experience using the latest education technology to effectively and enjoyably educate students.

*Interactive, Enjoyable, Cost Effective, and produces a Diploma at the end.*

Monitoring reports available to management.
